### AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

#### Listing of Claims

1-30. (canceled)

31. (new): A mobile self-contained vehicle washing unit, the unit comprising:

a housing having a floor, a roof, a rear door and a pair of opposing side walls defining an interior, wherein the rear door opens for vehicle access to the interior;  
each of the sidewalls having a panel, each of the panels being hingedly connected to the roof and movable between a closed position and a open position wherein the panel extends outwardly from the roof to form a covering;  
a water supply tank connected to a connected to a dispenser; and  
a waste water tank positioned below the floor for collecting water dispensed from the dispenser through a drain in the floor.

32. (new): The unit of claim 31, further including:

a pump operationally connected between the waste water tank and the water supply tank to transfer water from the waste water tank to the supply tank; and  
a filter connected between the waste water tank and water supply tank.

33. (new): The unit of claim 31, wherein the waste water tank includes baffles.
